BATMAN 64

Cold Case Makes for Cool Comics

The last time Batman and the Flash joined forces (and detective skills), the object of their investigation was a strange pin with links to another superhero universe in ***The Button.*** Now they're about to join forces again, and this time their investigation ties in to another DC Universe event.

"The Last Cold Case," a four-parter running through the pages of ***Batman*** and ***The Flash*** in February, is an outgrowth of ***Heroes in Crisis.*** This time, tough, things are less than collegial between Batman and the Flash—because the Scarlet Speedster blames the Dark Knight for the death of Wally West!

Batman was the chief architect of the Sanctuary program—the program that led to West's murder. As far as the Flash is concerned, it was Batman's negligence that made that murder possible... and that certainly puts a crimp in any plans to have the two work together to solve a cold case that just mysteriously re-opened. But Batman and the Flash will have to put their issues behind them if they're going to have any chance of solving the case.

"It takes place after ***The Flash #63, Flash Annual #2, Heroes in Crisis #4,*** and ***Batman #63,***" writer *Joshua Williamson* told **comicbookresources.com's** *Jason Cohen.* "It's connected to the tragedy in ***Heroes in Crisis*** in that it's affected the Justice League and the heroes of the DCU emotionally... Even though it ties directly with what's going on in ***Heroes in Crisis***, it can still stand on its own as a Batman and Flash detective story. By the end, you'll see how these four issues tease some of the big plans we have for the epic future of the DCU.

"Barry is obviously very affected by Wally's death. It's still very raw for him. Wally was his surrogate son. He trained him, and Barry helped get him into Sanctuary, so he feels responsible for what happened to Wally...

"Batman's going through a lot, too. He's taken a few hits emotionally this last year, and now he's trying to hide the pain he feels over Wally and all the heroes that died in Sanctuary. Between Bruce and Barry, they're struggling with a lot of anger beneath the surface that is going to eventually explode."

The story will also involve a Bat-character that readers haven't seen for a while. "Gotham Girl's story is picked up again in this crossover. She hasn't been seen in the book for a while, and there is a good reason for that. We dig deeper into her origins and how she was last seen with Bane at the end of ***Batman #50...***"

Williamson's four-part "The Last Cold Case" begins in ***Batman #64*** (illustrated by *Guillem March),* scheduled for February 6th release. It continues in ***The Flash #64*** (illustrated by *Rafa Sandoval & Jordi Tarragona)* on February 13th, ***Batman #65*** (illustrated by March) on February 20th, and ***The Flash #65*** (illustrated by Sandoval and Tarragona) on February 27th—the same day that ***Heroes in Crisis #6*** (by *Tom King & Mitch Gerads)* is scheduled for release.

Coming Comics—Image in February

Archie Lewis was the artist's artist in his heyday, although that's not what he's famous for. He's famous for being a nightmare to work with—and dangerous. So when an old assistant is forced to chaperone his one-time mentor to receive his lifetime achievement award, well... let's just say things don't go well in ***Criminal #2*** (by *Ed Brubaker & Sean Phillips).*

As mysterious forces converge on Los Angeles, the distance between Claire and her evolved partner Rochelle widens in ***Evolution #14*** (by *James Asmus, Joseph Keatinge, Christopher Sebela, Joe Infurnaro. & Jordan Boyd).*. Meanwhile, Abe indoctrinates his son in the murderous ways of the family business.

The ultimate darkness pays the Harrow sisters a visit in ***Exorsisters #5*** (by *Ian Boothby, Gisele Lagace, & Pete Pantazis),* and they learn that there are *much* worse places to end up in than Hell.

The Hardcore facility has fallen into the hands of terrorists, in ***Hardcore #2*** (by *Andy Diggle, Alessandro Vitti, & Adriano Lucas),* and Agent Drake is the only one who can take it back. Too bad he's trapped in the body of an enemy of the state; his own government has turned against him... and a Russian nuke is missing.

Zan Jensen works as a climbing guide for rich tourists in Kathmandu. And on the side, she and her partner Haskell moonlight as high-altitude graverobbers, extorting money from the families of the many dead bodies that litter the peaks of the Himalayas. But when a body shows up at the summit of Mount Everest with a jackpot of state secrets embedded in its skin, they're put in the crosshairs of a government agency bent on recovering the body—and eliminating any witnesses—in ***High Crimes,*** collecting the two-time Eisner-nominated digital comic by *Christopher Sebela & Ibrahim Moustafa.*

Our favorite adolescent assassin tears Tinsel Town a new one when she realizes her life's being dramatized for the silver screen. Hit-Girl storms sets, wages war on fat-cat movie bosses, and lures old enemies out of hiding in ***Hit-Girl Season Two #1,*** written by film and comics legend *Kevin Smith* and illustrated by *Pernille Orum.*

Abel and the fox have wandered into a small-town carnival where they should be able to find the healer they seek. While they search, Fox teaches Abel that survival sometimes means bending the rules a bit in ***Middlewest #4*** (by *Skottie Young & Jorge Corona).*

Oliver learns a devastating, life-changing truth about his origins in ***Oliver #2*** (by *Garry Whitta & Darick Robertson)*—and he puts his entire adoptive community in danger when he rebels against the oppressive regime that rules over it.

The Red Mother and her "children" search for Will, and an old friend returns in ***The Realm #11*** (by *Seth M. Peck, Jeremy Haun, & Nick Filardi),* the beginning of a new story arc.

Sharkey is a blue-collar bounty hunter who tracks criminals across the galaxy in his converted, rocket-powered ice-cream truck. Aided and abetted by his 10-year-old partner, he's out for the biggest bounty of his career in ***Sharkey the Bounty Hunter #1*** (by *Mark Millar & Simone Bianchi).*

After Turn's release, a murder occurs—and it's almost identical to the one he was convicted of committing. To protect his job and his reputation, Detective Christopher will have to defy his captain and Internal Affairs in order to prove that Turn Washington is guilty in ***Vindication #2*** (by *MD Marie, Carlos Miko, & Dema Jr).*

APAMA
THE UNDISCOVERED ANIMAL
WOW! YOU SURE TOOK CARE OF THAT RUSTER DUPE!
HEARD THEY FOUND A FEW OF HIS TEETH UPTOWN!
IF THERE'S ONE THING I CAN DO IT'S MAKE SURE LOOK-ALIKE CRIMINALS LIKE THE RUSTER END UP IN JAIL!
THAT'S STRANGE!
IT SURE HOPE HE DON'T SPOOK OUT!
DON'T PUT YOURSELF ON THE BACK SEEING ROUND TWO OF THIS CORROSIVE CALAMITY IS ABOUT TO DROP!

SPIDER-MAN

BY STAN LEE & ALEX SAVIUK

YOU OKAY, MAN? YOU WERE NEARLY CREAMED BY THAT CAR!
Y-YES... I'M ALL RIGHT.
YOU SURE? TELL ME YOUR NAME.
A FEW SECONDS AGO - I HAD NO IDEA!
STAN LEE ALEX SAVIUK 11-22
BUT NOW - I REMEMBER.
IT'S KILLGRAVE.
"KILLGRAVE"? THAT DOESN'T SOUND LIKE A REAL NAME, BUDDY.
BUT - IT IS MINE, AND - WHAT'S YOURS?
CAGE.
AND YOU WERE LECTURING ME ABOUT NAMES THAT DON'T SOUND REAL?
STAN LEE ALEX SAVIUK 11-23
JUST - LET ME UP!
I MUST DEAL WITH THAT DRIVER WHO TRIED TO TURN ME INTO A HIT-AND-RUN STATISTIC!
?
WAITAMMINNIT! YOU DON'T KNOW IF YOU WERE HURT WHEN YOU FELL.
I'M FINE!
BUT IN A MINUTE - THE DRIVER OF THAT CAR WON'T BE!
STAN LEE ALEX SAVIUK 11-24
AS PETER PREPARES TO WELCOME M.J. HOME...
ALL READY FOR THE GREATEST PARTY TWO PEOPLE EVER HAD!
WELCOME HOME
STAN LEE ALEX SAVIUK 11-26
...A PURPLE-FACED STRANGER TELLS LUKE CAGE HE DEMANDS HARSH "JUSTICE."
WHOA! MAN! I CAN'T LET YOU KILL THAT GUY!
YOU WILL NOT TRY TO STOP ME!
Huh? ALL OF A SUDDEN - I CAN'T MOVE!
WHY CAN'T I GRAB YOU?
STAN LEE ALEX SAVIUK 11-27
BECAUSE I, KILLGRAVE, ORDERED YOU NOT TO.
HEY, MAC, I'M REAL SORRY MY CAR ALMOST HIT YOU!
NOT NEARLY AS SORRY AS YOU'RE ABOUT TO BE!
I'M STRONG ENOUGH TO TOTAL A CAR WITH MY BARE HANDS - BUT I CAN'T MOVE A MUSCLE!
